### **Newsletter Class VI – X**

### **February 28<sup>th</sup> to March 28<sup>th</sup>**

#### **Introduction:**

We saw an ending and a beginning happening simultaneously in one of the most eventful periods in an academic year. Students of class IX bid a celebratory farewell to their beloved seniors Class X (2016-17) on a note of “Don't cry because it's over. Smile because it happened”! Students of class VI to VIII completed their Term End Examination and the last PTM for their current class was held on 11th March 2017. Class X began their 'tryst with destiny' on March 8th (Hindi) or March 15th (Telugu) according to their choice of II Language. Class IX began their Term End Examination on March 15th, completed it on 24th March, and had a PTM on 28th March. Two special assemblies took place in the meantime – World Water Day on 22nd March and Ugadi on 27th March. Trinity GESE was conducted on 15th March in the campus. Results of IMO and IEO were received and top-performers were appreciated in the Assembly. Students participated in competitions held at NAARM – National Academy of Agricultural Research Management accompanied by Mrs. V.U. Satya Latha in February and in Vasavi Engineering College accompanied by Mrs. Charitha on 23rd March and brought fame and pride to their school. We have a few stars who shine outside the T.I.M.E. Galaxy also – P. Vedhavani of class VIIIA (2017-18) is one of them.

#### **✓ Farewell for Class X hosted by Class IX:**

The event began with our Director, Mr. Manek Daruwala, our Correspondent Mrs. Jayashree Iyer, our Principal Mrs. Suthaja Ramanujam, our Academic Head Mr. Sridhar Rao, our Headmistress Mrs. Revathi Kumar lighting the lamp. Class X exhibited their poise, general knowledge and talent in a bid to attain the title of Mr.

T.I.M.E. and Miss. T.I.M.E. The proud recipients of the titles were Sanmit Shetty and Smriti Banka respectively. Co-incidentally, Smriti Banka was also meant to receive the Best Outgoing Student 2017 on the same day. It was a very special day for Smriti Banka and we are proud of her. A few students and teachers shared their heartfelt thoughts and feelings with the group but before the heaviness of the moment was beginning to sink in, the Class IX put up a cultural show that brought back good cheer amongst all. As the Event Secretary, Krishna Preetham Kanthi aptly concluded in his Vote of Thanks, 'Do well, stay happy, and remember – no goodbye, just say, 'See you soon!' Best wishes to the T.I.M.E. Brand Ambassadors!'

### ✓ **Orientation Programme:**

An orientation programme was conducted on 18th March for the new admission students' parents presided by our Correspondent, Mrs. Jayashree Iyer and our Principal, Mrs. Suthaja Ramanujam. Mr. Ramamoorthy of T.I.M.E. addressed the parents of students of class V to inform them about the IIT Foundation Course.

### ✓ **The Winners Take It All:**

Our students once again impressed us with their IMO and IEO results. In IEO, Sri Charan of II D, scored 40/40 bagging the 1st Rank at International Level 1. He was appreciated in the Special Assembly for Ugaadi along with the Trinity GESE (Graded Examination in Spoken English conducted by Trinity College, London) certified students on 27th March 2017. After the Special Assembly for World Water Day on 22nd March, when Rebekah Rose of class IX A (2017-18) presented her original poem 'Water', one of the Natya Kiranam Awardee, P. Vedhavani of class VIII A (2017-18) and the participants of Acumen IT Festival held at Vasavi Engineering College from class VIII and class IX (2017-18) were appreciated and encouraged.

- **Natya Kiranam Award:**

This award is presented at the end of Kuchipudi Dance Competition conducted by ABC Foundation Bharat Arts Academy. It was held in Ravindra Bharati Stadium in which 60-70 people from different states participated and only 4 dancers were awarded.

- **Acumen IT Festival held at Vasavi Engineering College**

Students of class VIII and IX participated in the Acumen IT Festival organised by the Department of IT of Vasavi Engineering College. They were asked to present a paper on any topic of technology. Ayushi Routh and Gauthami of VIIIA were awarded the first prize.

- ✓ **Ugaadi Celebrations:**

- **Special Assembly:**

The significance of Ugaadi was brought out in the Special Assembly coordinated by Mrs. Aarudra in a festive manner. The students participated enthusiastically and the audience thoroughly enjoyed the programme.

- **Celebrations in the Field:**

To celebrate new beginnings, some friendly matches were held in Basketball, Cricket, Kho-kho and Throwball with some of the cheerers suddenly taking up Catch-or-Quit with Mrs. Samatha Bosetty and Mrs. Jayashree Mane. The matches were co-ordinated by the PET team: Mr. Mahesh, Mr. Srikanth, Mr. Sukender, Miss. Sunitha.

- ✓ **Subject Enrichment Activities:**

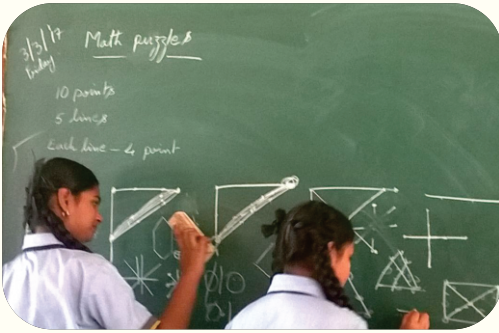

- **English:**

Students discovered the rich poetic flair in their house patroness, Smt. Sarojini Naidu when they read her poem 'Bangle Sellers' in their English class. They went on to learn and recite it in the Morning Assembly two days later.

- **Mathematics:**

Students of class VII A take up the challenge of Mental Math and excel.

- **Science:**

Class VII A students took turns to view the cell structure of onion peel through a microscope and vied with each other to excel at a Science Drawing Competition. On World Water Day, they also made posters on 'Save Water'. As part of their Science Lab Activity, they learnt about sedimentation, decantation and filtration.

- **Social Science:**

Class VIA participated in a Social Science Quiz.

- ✓ **Cheerful Class X (2016-17):**

Bharatiya Vidya Bhavan's Vidyasharam, NIRD Campus, Rajendranagar is the CBSE Board Examination Centre for our Class X (2016-17). On the days of the examination, some students come to the school campus and are then taken by school transport to the centre. Their last examination is on April 8th. We feel happy to see them confident and cheerful as they set out for their examination.
