

WELCOME!!!

Dive into the Ripples

Unleashing Student Creativity!

From The Correspondent's Desk, **Mrs. Jayashree Iyer**

Greetings to all !

“ The future belongs to all those who believe in their dreams “ Another successful academic year has come to an end ! We have faced many challenges and felt delighted in the numerous achievements and many accolades won ! As we move forward we carry sweet memories and valuable lessons that will shape our future. This year has been marked by remarkable achievements by our staff and students in various fields . Some have raised the bar inspiring their peers to dream bigger and aim higher . From winning a national level championship in Robotics to excelling in art , craft , sports activities, from literary pursuits our students have exhibited exceptional talent and dedication .The publication of books and other creative endeavours further showcase the potential within our student community. Be it Quiz, vedic mathematics, Abacus, innovative science models, football, chess or Tai-kwon-do,our students have achieved exceptional success, bringing laurels not just for themselves, but also for the school, keeping our flag flying high.To all those students who have carved a niche , congratulations and best wishes for many more success stories! For others, remember, that hard work is the key to success. As Thomas Alva Edison said , ‘ There is no substitute for hard work .’ To those who may feel disappointed about not achieving their goals this year , do remember that failures are stepping stones to success. Every setback offers an opportunity to learn, improve and come back stronger. Let’s take this moment to reflect, understand what went wrong and work on corrective actions. Whether in academics, sports ,cultural or literary activities, consistent effort and practice leads to excellence.

As we step into another year , let’s stay committed to our goals, support one another and strive for even greater success.

Best wishes to all . Let’s together make the new academic year even more remarkable .

From The Principal's Desk, Mrs. Vijaya Sudhakar

The world is ever changing dynamically at hyper-super speed. Last few weeks are a glaring example of the same with cross border terrorism, war-like circumstances and the world on a very precarious situation. We are preparing ourselves for the unknown.

This brings me to our home ground. We are talking about a Nation's preparedness but how much are we or our children prepared for the basic issues of life ?

I keep running now and then to the school medical room when a child gets hurt. Most of the times it is a minor scratch or a bruise or sometimes it is not even to be seen. Sometimes, the way students speak to each other or react shows their patience level .

Do our children know how to survive with limited resources ?

It is our duty as adults to prepare them for eventualities and possibilities as confidence comes from being prepared and discipline is the bridge between goals and accomplishments. Let's set high goals with high ideals and accomplish them with our sincerity.

HEAD BOY R. Sreekar Bhardwaj-

As I reflect on the journey we've shared so far, I am filled with a deep sense of pride and gratitude for being a part of such a dynamic and supportive community.

This year has been one of growth, resilience, and ambition. From academic challenges to extracurricular achievements, we have come together as a family, constantly pushing ourselves to newer heights.

Throughout this term, we've seen remarkable contributions from students across all levels. Whether it's been in the classroom, on the sports field, or in various creative endeavours, the commitment and dedication of our peers continues to inspire.

I would like to take this opportunity to express my heartfelt thanks to all the teachers and staff for their continuous support, and my fellow students for their enthusiasm and determination. Let us continue to work together to make this year one of the best yet!

HEAD GIRL Pihu Bhattacharya -

As we move forward in the second term, we see that this year has been one of change and progress. It has brought us together to adapt to new routines embrace new learning opportunities and support one another through every high and low. Whether it's been through classroom discussions, extra curricular activities or school events, the spirit of collaboration and care has been evident in everything we do. I believe that it is this spirit that makes our school unique. It has been heartening to see so many of you take on leadership roles whether it's through sports teams or creative endeavours. As we move forward, let's remember the importance of perseverance empathy and integrity. These values will guide us not only in our academic pursuits but in our personal growth too. Together, we have the power to make this year one of the most memorable and impactful.

Literary Secretary Gautham Vidhu

My Vision for Our Literary Community: A New Beginning

Hello Everyone,

As this school year comes to a close, it's a time to reflect on everything we've achieved together and look towards the future. This year has been a journey of creativity, expression, and growth within our literary community. While my time as literary secretary is coming to an end, the spirit of our literary pursuits will continue to thrive, and I'm excited to see what the future holds.

In the coming year, I encourage each of you to carry forward the passion and creativity we've cultivated. There will be new leaders, new ideas, and fresh opportunities for everyone to explore their love for literature—whether it's through writing, poetry, or storytelling. This new beginning is a chance for all of us to keep pushing the boundaries of our imagination and efforts and continue building a space where every voice is heard. Let's embrace the upcoming year with enthusiasm and excitement, knowing that our literary community will only grow stronger and more vibrant with each new contribution. I look forward to seeing where your creativity takes you!

IT Secretary Sohan Kadarla

As you approach the new academic session, it's time to focus on effective preparation. Here are some tips to help you stay organized and confident for the new class:---

- 1. Keep your textbooks & notebooks covered & labelled. Plan Your Study Time. Create a realistic study schedule. Prioritize important topics and indulge in regular studies.*
- 2. Practice regularly because practice makes one perfect. Mathematics & all other concept-based studies need a regular practice.*
- 3. Stay consistent . Avoid procrastination. Stick to your study plan and stay disciplined to build a steady, productive routine.*
- 4. Prioritize Health .Eat well, sleep well, and take breaks. A healthy body ensures a focused mind.*

With focus, consistency, and positivity, you're ready to take on the new challenges . Best of luck!

Art Secretary Dheershika.M

Welcome back as we venture into the new school year! I hope you are ready to dive into a fresh and exciting chapter of your academic journey. The last year has been a time of growth and reflection . As we move into the academic session, we will continue to build on the strong foundation we've established. This year promises exciting activities, academic challenges, and opportunities for personal development. I encourage everyone to stay focused on their goals, support one another, and actively participate in school events. Together, we will foster a positive and inclusive environment where each student can thrive. Let's make this year a memorable one, filled with creativity, and success. Wishing everyone a productive and inspiring term ahead!

Science Secretaries Ch. Abhinav & Jashwanth P.

As the new academic season approaches, it's time to focus, plan, and prepare for success. With the right approach and a well-structured plan one can turn challenges into opportunities.

Preparation Tips for Success:

- 1. Create a study schedule.*
- 2. Seek help when needed.*
- 3. Stay healthy.*
- 4. Indulge in your favourite sport/ music*

Wishing You All the Best! Stay focused, do your best, and success will follow.

Good luck !

POCSO Secretary Sritamaa Routh

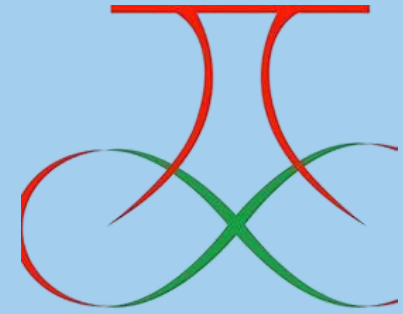

As we continue our commitment to fostering a safe and supportive school environment, our focus remains on creating awareness about the importance of child protection.

The safety and well-being of the students is our top priority.

Together, let's continue to maintain an environment where every student feels safe, heard, protected, respected and valued.

Math Club Secretary Ishaan Abhilash

Math is more than just numbers and equations; it's a powerful tool that can help you understand the world around you. From calculating distances to predicting weather patterns, math is essential to countless fields. Every time you solve a problem, you're not just getting the answer, you're building critical thinking skills, boosting your confidence, and opening up new opportunities. So, embrace the challenge, persevere through the difficulties, and let the beauty of mathematics inspire you. As your Math secretary, let me share with you Timeans that the only way to learn mathematics is to do mathematics.

Discipline Secretary Niranshu Reddy

As we embark on a new academic year, it's important to reflect on how we're contributing to a respectful and focused school environment. Remember, discipline isn't just about rules—it's about building an atmosphere where everyone can learn and grow. Always treat others with kindness and respect. A positive attitude makes a huge difference in the classroom and beyond. One of the most effective ways to maintain good discipline is by positively influencing your peers. Encourage your friends to follow rules and create a supportive environment where everyone is responsible for his/her actions.

Event & Cultural Secretaries: Shaastra Reddy, Avika Sharma, Shrestha

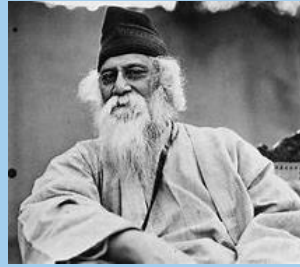

When we first stepped onto the stage, we were nervous, excited, and a little unsure. But what we found was a space full of encouragement, laughter, and unforgettable memories. That's what participation brings—a chance to discover oneself and connect with others in the most amazing of ways. Every event is a chance to showcase one's skills, explore latent talents, and create lasting memories and~ friendships.

As your Cultural and Event Secretary, we encourage all of you to take that first step, actively participate, and make the most of these incredible opportunities.

PICNIC TIME !!!!

The background of the image is a light blue surface covered with numerous small, realistic water droplets of varying sizes. In the center, there is a solid, medium-blue rectangular box. Inside this box, the text "SEE YOU WITH NEW RIPPLES NEXT TIME !" is written in a bold, red, hand-drawn style font. The text is arranged in two lines, with the first line being "SEE YOU WITH NEW" and the second line being "RIPPLES NEXT TIME !".
